

# SPONSORS & DONORS

**Bridging Over**  
Non-profit Helping The Homeless

"Safety Bags containing essentials contributed from gracious donors"

**Special Thanks:**

Homeless Navigator  
City of Lakewood Community Action Team

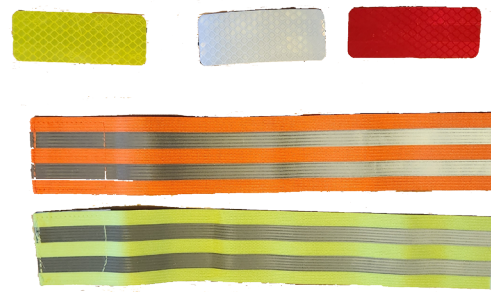

Bridging Over's mission to provide at risk unhoused families and individuals with essential items to improve their safety and health started as the passion project of one man. When Randy Smith arrived in Colorado by bus from Wisconsin, he found himself unhoused and needed help. Luckily, through the charity of several local organizations, he was able to find his way into a home and a good job. This major life event left Randy with the undeniable feeling that he had to do something to help Bridge the Gap that divides the housed and unhoused.

# OUR MISSION

Bridging Over founder Randy personally donates much of his “day job” pay check to the organization. He is fortunate to have had corporate and small business partners step up to support the mission but he still contributes personally each week.

In 2021, Bridging Over received a wonderful donation of an RV. With the help of a local RV service center, we fixed it up and moved in our first homeless individual into their new home in February 2021. In April 2023, the individual received the title to the RV and calls it home to this day. He now has a full time job and is sober and clean.

Reflective Wristbands & reflective Wheelchair decals

Safety Vests

Our programs specialize in helping our community and we take great pride in them. We hold special events multiple times a year to distribute Safety Vests, Safety Bags (includes daily essentials), Reflective decals, Wheelchair flags and many other donated items. We focus on supplying safety items to the homeless community and to those who have to cross dangerous roadways, especially at night. Our goal with this program is to increase visibility upon the homeless people who are at risk of accidents caused by unaware drivers.

We also provide hot meals for Thanksgiving along Colfax and Teller and have a Holiday Sock program.

Our continuance of these programs is instrumental in our mission to help the Colorado homeless population.

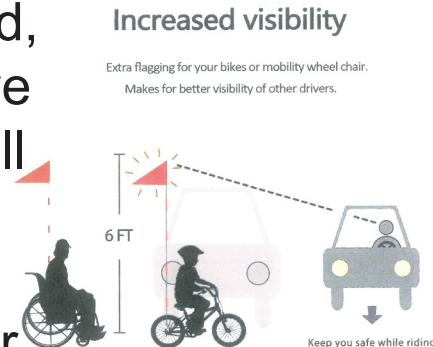

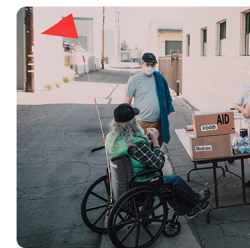

# EVENTS & DONATIONS

## Wheelchair Flag Fundraiser

On the 17th of March 2024, Bridging Over will be in the community from 1:00 - 3:00 at Teller & Colfax installing water proof safety flags & water proof reflective decals on wheelchairs for our unhoused neighbors.

To make this event happen, Bridging Over ran a fundraiser. Thanks to all that made this happen. We will also be passing out safety bags to the unhoused, including food and handing out reflective arm bands. We want to say thanks to all the generous donations that made this project possible.

This will be the first of 4 events this year. Our goal is to make individuals in wheelchairs & pedestrians more visible to drivers. Thank you again & we look forward to seeing you at the event .

For more information or to find out how you can help please contact Randy or visit our website
